

Hello

Welcome to our first Community Newsletter! We have so much going on in School which we want to share with you all and we thought a newsletter just for our neighbours would be a great way to do it.

We have lots of community events coming up so please keep an eye on our website, facebook and twitter pages to find out what's going on. You'll also notice the grounds starting to change in the next few weeks (we're always looking for keen gardeners who would like to volunteer!) with hedges being added as part of the Leeds City Council air quality improvement scheme.

Meet the New Team

We have a new team here at KSA Primary, with Executive Principal Deborah Kenny joining us back in November last year. You may know her as the Head at Manor Wood, where she continues that role, but she will also be working with us here at KSA to push the school development even further. Jordan License, who some of you may already know or have met when he was out in the community the other week continues as our Head of School, leading us on a day-to-day basis. They're an unstoppable team so watch this space for lots of new developments!

Provider

'Good' news from Ofsted.

We're delighted to let you know that we have been rated 'Good' by Ofsted. You've probably seen our banners!

Not only did we achieve 'Good' but we were rated 'Good' in all the categories we were assessed against which we are really pleased with. The full report is available to read on our website.

'Leaders have a clear vision for the school's curriculum. They believe all pupils have a talent.'
